LANGUAGES

BOLO / DISTINGUISHING MARKS

NCPD: visible chrome, scars · Operator: how they show up to a meet

Powder-burn scar, left jaw (Floor 22). Short regulation cut gone slightly long. On the street: slim tactical visor mask, hood up, open overcoat, plate carrier. Pulled badge in the jacket, never on the chest. Heavy pistol worn like policy never ended. Walks the hallway like it belongs to him.

NCPD · PSYCH / RAP / ORIGIN

PSYCHOLOGICAL PROFILE

Treats Vista as a courtroom. Few words. If the name is in the book, the sentence is already done. Not cyberpsycho – a cop who stopped waiting for a judge.

RAP · WHO / WHAT / WHAT THEY CAN THROW / WHAT'S GONNA HAPPEN

Ex-NCPD beat, Megabuilding H5. Floor 22: three down, “resisted,” badge pulled. Still armed. Can throw: four phones on the force, the stack's map, Unity + Satara. What's gonna happen: he finishes the list.

OCCUPATIONAL HISTORY · M.O. (role-specific lifepath, prose)

Beat / patrol, Vista · H5. Moonlight gigs as hallway muscle and skiptrace. M.O.: one floor, one pistol, report reads “resisted arrest.” Lifepath: Beat · Heywood patrol · Corruption 5 · hunted by H5 Valentinos + Glen · target: street crime on his stack.

LEVERAGE · what they value / what they'll take a job for

A name in the book. A clean shot at the Glen fixer. The stack.

ENEMIES · rivalries / don't sit them together

H5 Valentinos · La Catrina crew · Glen aide · BD seller

OPERATOR · HOW TO WORK THEM / STREET TALK

HOW TO WORK THEM (what to say / not say)

Don't say “let the law handle it.” Don't touch Casa / H5 civilians as leverage. Offer a name already in the book. Pay in ammo or a location, not speeches.

STREET TALK · WHAT THE STREET SAYS

“That cop from H5 they fired.” Some say verdugo, some say rat. Valentinos don't toast him. Glen doesn't either.

GOALS · PREDICTED ACTIVITY / WHAT GIG THEY BITE ON

Finish H5 / La Catrina names. Stay useful enough that Ruiz still picks up. Don't die as an eight-second BD.

VALUED PERSON · hostage risk / DO NOT TOUCH

El Sereno – childhood rumor, H5 stairs after midnight. DO NOT TOUCH

VALUED POSSESSION · seizure target / what they'd die for

The notebook. The pulled badge.

ASSOCIATES · names only (full cards → xlsx CONTACTS)

Elena Ruiz · Sgt. Frank Dwyer · Marcus “Oz” Osorio · Kim Tran

AFFAIRS · where it hurts

Floor 22 · scav BD · IA file

ORIGIN · culture / family background

Hispanic Heywood · Vista del Rey · street-Catholic varnish

CHILDHOOD ENVIRONMENT

Megabuilding H5, Vista del Rey

FAMILY CRISIS

Older brother ran with the H5 Valentinos. Died before Dodge put on a badge. That's the book.
